ARTICLE I – ADMINISTRATION

Section 1.1 - Recognition

- 1.1.1 The District recognizes the Association as the exclusive collective bargaining representative for all extracurricular/coaching employees employed by supplemental contracts within the District that do not require an Office of Superintendent of Public Instruction (OSPI) teaching certification, excluding any person as required by law.

Section 1.2 - Status of Agreement

- 1.2.1 This Agreement shall supersede any rules, regulations, or practices of the District, written or unwritten, which shall be contrary to or inconsistent with its terms. The terms of this Agreement shall supersede all written policies or practices which are contrary to or inconsistent with its terms. If any policies or practices are adopted which are contrary to or inconsistent with the terms of this Agreement, this Agreement shall be controlling. All matters not covered by the language of this Agreement shall be administered for the duration of the Agreement by the District in accordance with such policies and procedures as the District from time to time shall determine.

Section 1.3 – Conformity to Law

- 1.3.1 This Agreement contains the full and complete agreement on all bargainable issues between the parties; and, except as required or mandated by the Public Employment Relations Commission (PERC), neither party shall be required during the term of the Agreement to bargain additional issues.
- 1.3.2 If any provision of this Agreement, or any application of this Agreement to any employee or group of employees covered hereby, shall be found contrary to law by a tribunal of competent jurisdiction, and if there is no timely appeal or the appeal process is exhausted, the parties shall commence negotiations within thirty (30) days on a replacement for such provision or application. All other provisions or applications of the Agreement shall continue in full force and effect.

Section 1.4 - Printing & Distribution

- 1.4.1 Within thirty (30) days following the ratification and signing of this Agreement by the parties, the District shall make the Agreement available on the District's website. The District will continue to provide a copy of the Agreement to new employees.
- 1.4.2 Each employee newly hired as a coach or activities advisor shall be provided a copy of the Agreement by the District upon the date of hiring. All individuals making employment application to the District may read a copy of the Agreement on the District website or in the Human Resources Office.

Section 1.5 - Superintendent/Association Meetings

- 1.5.1 The Superintendent and/or designee(s) will meet formally with the Association President, Vice President AAA/CPEA, and Soundview representative in Labor/Management meetings quarterly. Agenda items the Association wishes to discuss shall be provided to the District two (2) days prior to the meeting. Additionally, if either party intends to have other persons present, they will advise the other party two (2)

days prior to the meeting date. If neither party has any agenda items to discuss, the meeting may be cancelled.

Section 1.6 - Notice of Policy Additions and/or Changes

- 1.6.1 The District shall notify the Association President of proposed new or amended policies, or the contemplated discontinuance of policies affecting the Association or the employees working under the jurisdiction of this Agreement as early as possible prior to the first meeting of the Board to consider such policy. The District will give the Association reasonable opportunity for discussion/input before adoption, amendment, or the discontinuance of policy affecting such employees.
- 1.6.2 The District will publish any informational bulletins regarding its policies and practices that will be distributed publicly. The Association will be on the distribution list.

ARTICLE II – BUSINESS

Section 2.1 - Management Rights

- 2.1.1 The Board of Directors of the District, acting on behalf of the electorate of the District, retains and reserves all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the regulations of the State Board of Education and laws and the Constitutions of the state of Washington and the United States.
- 2.1.2 The Association recognizes that the Board of Directors is legally responsible for the operation of the District, and that the Board has the necessary authority to discharge all its responsibilities subject to the provisions of the supplemental contracts.
- 2.1.3 In pursuing its responsibilities, the Board develops policies that direct the administration of the District. In developing such policies, the Board will be responsible to the public needs and shall also seek the professional judgment of the extracurricular staff through the Association.

Section 2.4 - Association Dues (Association to provide language regarding dues collection)

- 2.4.1 The Association, as the exclusive negotiating representative of all employees in the bargaining unit as provided in Article I of this Agreement, will represent all such employees fairly and equally. While employees shall not be required to join the Association, membership in the Association shall be made available to all employees who apply.
- 2.4.2 The Association agrees to save and hold the District harmless in the application of this Article.

- 2.4.3 The District will provide the Association reasonable access to new employees of the bargaining unit for the purposes of presenting information about their exclusive bargaining representative to the new employee. This coverage shall be limited in scope to the insuring agreements, conditions, and exclusions as are applicable to the District, the named insured. When a request for such representation is made, no action shall be taken with respect to the employee until such representative of the Association is

present. Further, in the event a disciplinary action is to be taken, the employee shall be advised of the right to representation under this provision of the Agreement prior to the action being taken.

- 3.2.3 The District agrees to follow a policy of progressive discipline, and any disciplinary action taken against an employee shall be appropriate to the behavior that precipitates said action. In certain cases, the principle of progressive discipline may not apply. Situations of this nature would include but not be limited to:

This contract shall conform to state law, Washington Administrative Code, Rules and Regulations of the State Board of Education, Policies of the District, and this Agreement. - 3.5.2 Each employee shall be issued a supplemental contract which shall be in conformity with Washington State law. All supplemental contracts covered under this CBA are issued for one academic year only. By signing the supplemental contract, the District is not obligated to rehire the employee for the next academic year in the current position nor is the employee obliged to continue in their current position.
- 3.5.3 An employee who does not desire to continue in the same extracurricular assignment for the following school year will notify the principal in writing as early as possible.

Any infractions shall be reported as soon as possible to the appropriate administrator.
- 3.6.2 A bargaining unit member may use such reasonable action as is necessary to protect him/herself, a student or others from physical abuse or injury.

ARTICLE IV - GRIEVANCE PROCEDURE

Section 4.1 - Philosophy

- 4.1.1 The grievance and dispute resolution procedures provided for herein shall constitute the sole and exclusive method of adjusting all complaints or disputes which the Association or employees may have, and which relate to or concern the employees and the District.
- 4.1.2 It is the intent of this grievance procedure to settle all disputes or complaints at the point of origin. In the event such a grievance or dispute arises during the life of this Agreement, it shall be handled according to the grievance steps.

Section 4.2 - Grievance Steps

- 4.2.1 **Step I:** The employee(s), with or without assistance from the Association, shall present the grievance to the high school athletic director, or the employee's immediate supervisor at all other levels, within fifteen (15) workdays of the date and time of the occurrence of the event giving rise to the grievance, or fifteen (15) workdays from the date and time such event should have been known, or it shall be deemed waived. If the issue is not resolved within five (5) workdays after the grievance is so presented, it shall be reduced to writing and signed by the employee(s) and the immediate supervisor. Unless the parties agree otherwise, timelines extending from a grievance event or when the event should have been known will exclude the month of July.
- 4.2.2 **Step II:** Such written grievance shall be presented to the principal or designee within seven (7) workdays of the conclusion of Step I. If the issue is not resolved within seven (7) additional workdays and the employee(s), with the assistance of the Association, desires to pursue the matter further, then;
- 4.2.3 **Step III:** Such written grievance shall be presented to the Superintendent or designee within seven (7) workdays after the conclusion of Step II. If requested by the Association, the Superintendent and/or designee shall meet with the grievant(s) and any two (2) members of the bargaining unit and/or the local UniServ Representative the grievant chooses within ten (10) workdays after receipt of the grievance. The Superintendent shall give a written decision within seven (7) workdays from the date of the meeting or the date of receipt of the Step III grievance, whichever is later.
- 4.2.4 **Step IV:** If no settlement is reached in Step III above and the Association desires to pursue the matter further, it may refer the grievance to arbitration by written notice to the District within fourteen (14) workdays from the conclusion of Step III. If such grievance is not referred to arbitration within fourteen (14) workdays from the conclusion of Step III above, the grievance shall be considered settled on the basis of the District's last position. Should the parties be unable to mutually agree upon an arbitrator within ten (10) workdays from the date the matter is referred to arbitration, the Association will request a list of ten (10) qualified arbitrators from the American Arbitration Association from which list the parties shall select an arbitrator.
- 4.2.5 The arbitrator selected will confer with the representative of the District and the Association, hold hearings promptly, and will issue his/her decision not later than twenty (20) workdays from the date of the close of the hearing, or, if oral hearings have been waived, then from the date the final statement and proof are submitted.

Section 4.3 - Powers of the Arbitrator

- 4.3.1 The arbitrator's decision will be in writing and will set forth his/her findings of facts, reasoning and conclusions on the issues submitted. - 4.3.2 The arbitrator shall have no power or authority to rule on any matter involving:
- a. An employee evaluation, provided that the evaluation procedures shall be subject to the arbitrator's review, or

Section 4.4 - Expenses

- 4.4.1 The expenses of the arbitrator and all other expenses of the arbitration proceeding, other than those incurred by each party in the presentation of its own case, shall be shared equally by the parties involved.

Section 4.5 - Time Limits

- 4.5.1 Time limits referred to in this Article IV must be considered as maximums, but may be waived by mutual agreement in writing. It is the intent of the parties that all procedures set forth herein shall be complied with as expeditiously as possible.
- 4.5.2 Failure of the District to act timely, as required in any of the procedural steps, will automatically move the grievance to the next higher step for consideration. Failure of the grievant to act timely will nullify the grievant's claim.
- 4.5.3 By mutual written consent of the grievant and the District, any procedural step may be passed over in favor of action on a subsequent step.

Section 4.6 - Grievance Files

- 4.6.1 All documents, communications, and records dealing with the processing of a grievance shall be filed separately and not in the official personnel file of the grievant. This grievance file shall be referred to thereafter only in case of extended appeal, litigation, and other action in the particular case.

APPENDIX 1 – Seven Tests of Just Cause ¹

The basic elements of just cause which different arbitrators have emphasized have been reduced by Arbitrator Carrol R. Daugherty to seven tests. These tests, in the form of questions, represent the most specifically articulated analysis of the just cause standard as well as an extremely practical approach.

A “no” answer to one or more of the questions may mean that just cause either was not satisfied or at least was seriously weakened in that some arbitrary, capricious, or discriminatory element was present.

Notice: “Did the District give to the employee forewarning or foreknowledge of the possible or probable consequences of the employee’s disciplinary conduct?”

Reasonable Rule or Order: “Was the District’s rules or managerial order reasonably related to a/ the orderly, efficient, and safe operation of the District’s business and b/ the performance that the District might properly expect of the employee?”

Investigation: “Did the District, before administering the discipline to an employee, make an effort to discover whether the employee did in fact violate or disobey a rule or order of management?”

Fair Investigation: “Was the District’s investigation conducted fairly and objectively?”

Proof: “At the investigation, did the ‘judge’ obtain substantial evidence or proof that the employee was guilty as charged?”

Equal Treatment: “Has the District applied its rules, orders, and penalties even-handedly and without discrimination to all employees?”

Penalty: “Was the degree of discipline administered by the District in a particular case reasonably related to the following:

- a/ the seriousness of the employee’s proven offense, and
- b/ the record of the employee in his service with the District?”

¹ The above seven steps may not be strictly adhered to in cases of gross anti-social behavior which may merit immediate corrective action.
