#### RECITALS

**WHEREAS**, the State has the need to purchase and the Contractor desire to sell; and,

**WHEREAS**, the State has the authority to offer contracts to CPV members of the State of Minnesota and to other states.

**NOW, THEREFORE**, in consideration of the mutual promises contained herein, the parties agree as follows:

#### INTENT AND PURPOSE

The intent and purpose of this Agreement is to establish a contractual relationship with equipment manufacturers to provide, warrant, and offer maintenance services on **ALL** products proposed in their response to the RFP issued by the State of Minnesota. The Contractor may use subcontractors to provide the warranty and/or maintenance services; however the Contractor will be responsible for working with the equipment manufacturer on behalf of the Purchasing Entity and for the timeliness and quality of all services provided. No type of Lease transactions are allowed through this Agreement.

The Agreement is **NOT** for the purchase of major, large hardware or hardware and software offerings. In general, individual units/configurations should not exceed \$50,000 each. It is the expressed intent of some of the Participating States to set this level at not to exceed \$25,000 each. This **IS NOT** a restriction on how many units/configurations can be purchased, but on the value of each individual unit/configuration. Individual Participating States and Participating Entities may set specific limits in a participating addendum, with the prior approval of the WSCA Directors.

Contractors may offer, but participating states and entities do not have to accept, limited professional services related **ONLY** to the equipment and configuration of the equipment purchased through the Agreement.
